Tournament Guidelines

Rules

- 1) All games played will be governed by the 2010 NCBA rule book
- 2) All games are considered "Exhibition Baseball Games".
- 3) Mercy rule 3.09.0 will be in effect
- 4) All games will be a 7 inning format

In case of inclement weather the following rules will be in effect:

3.05.0 All games with the score tied at the end of nine innings (Seven for double headers and Regional post-season games) will continue into extra innings until a winner is declared. If the game is still tied when the official declares the game must be stopped due to weather or darkness, the game remains tied until the game can be completed at a future date.

3.06.0 If a team is winning at the end of five or more full innings and the official declares the game must be stopped due to weather or darkness, the team that is ahead at the end of the last completed inning is declared the winner.

3.07.0 If the score is tied at the end of five or more full innings and the official declares the game must be stopped due to weather or darkness, the game remains tied until the game can be resumed at a future date.

TOURNAMENT RULE DIFFERING FROM OFFICIAL NCBA RULES

3.08.0 If five full innings have not been played when the official declares the game must be stopped due to weather or darkness, the game will be ruled **halted and will be picked up exactly where it left off** at the next available time to play.

Other items:

Be at your game a minimum of 30 minutes prior to the official start time of your game. Game times may be moved up if the previous game finishes early. Be in touch with the director at your field for the most up to date start time.

Teams must provide their own ice and water

Teams are responsible for locating and retrieving foul balls. **NO BALLS = NO PLAY**

The NCBA will provide game balls for the Williamsport Warm up.
